

PARTNERSHIP & IMPACT

Partner with Her Rising Network

Building women. Strengthening communities. Creating opportunities.

Her Rising Network is a growing network creating spaces where women and young girls can learn, develop, connect, be supported and rise together. **Through education, skills development, networking, events, conversations, humanitarian initiatives and community programmes**, we help women access information, build confidence, strengthen skills, form meaningful relationships and become better equipped for different areas of life.

Partnership enables us to create stronger opportunities, experiences and resources for the women and communities we serve.

Why Partner With Us?

01

Meaningful impact

Support practical initiatives that educate, equip and strengthen women, girls and communities.

02

Knowledge & opportunity

Bring expertise, information, resources and opportunities directly to an engaged community.

03

Purposeful collaboration

Build relationships that create shared value while keeping people and measurable impact at the centre.

Our Focus

Women & Girls

Empowerment, mentoring, confidence and leadership.

Education & Skills

Learning, upskilling, careers and entrepreneurship.

Community Impact

Humanitarian support, outreach and local initiatives.

Connection

Networking, community-building and meaningful relationships.

Information & Opportunity

Practical information, access, employment and development opportunities.

Wellbeing & Growth

Personal development, wellbeing and safe spaces for conversation.

Three Ways to Partner With Us

01

Programmes & Community Impact

Partner with the work we deliver directly within communities.

Collaborate on programmes that educate, equip, mentor and support women and girls while strengthening communities through practical initiatives.

Education · Skills & upskilling · Women & girls · Mentoring · Humanitarian & community projects

02

Events, Experiences & Conversations

Partner with the spaces where our community learns and connects.

Contribute to experiences that bring people together, share knowledge and create meaningful conversations and relationships.

Events · Networking · Retreats · Workshops · Webinars · Podcasts · Speakers · Campaigns

03

Fund, Sponsor & Resource Impact

Help us extend the reach and sustainability of our work.

Support programmes and initiatives through funding, sponsorship, professional expertise, resources or opportunities for our community.

Sponsorship · Grants · Programme funding · In-kind support · Expertise · Training & opportunities

WAYS TO COLLABORATE

What Partnership Can Look Like

Flexible ways to collaborate, contribute and create impact together.

Programme & Community Partnership

Co-design or support a programme, initiative or community project for women, girls or wider communities.

Event & Experience Partnership

Support or collaborate on conferences, networking events, retreats, workshops, webinars, panels and community gatherings.

Sponsorship & Funding Partnership

Fund an event, programme, campaign, retreat, podcast series or community initiative, or support through grants/foundation funding.

Education & Skills Partnership

Deliver workshops, training, mentoring, professional development, digital skills, entrepreneurship, careers or leadership support.

Media & Conversation Partnership

Join podcasts, interviews, expert conversations, campaigns or educational content that informs and inspires our community.

In-Kind & Opportunity Partnership

Provide venues, products, services, technology, printing, catering, transport, expertise, memberships, courses, internships, work experience or other opportunities.

Who We Partner With

Businesses & corporations	Educational institutions & training providers	Charities, CICs & community organisations	Foundations & grant-making organisations
Professional organisations & employers	Brands, entrepreneurs & professionals	Community leaders & changemakers	

What Partnership Means to Us

We are not interested in partnerships simply for the purpose of placing logos next to one another. We want collaborations that create value for everyone involved and, most importantly, meaningful opportunities for the people and communities we serve.

Collaboration · Integrity · Community · Empowerment · Inclusion · Impact · Sustainability

Partnerships That Can Grow

A collaboration can begin with one conversation and grow into a longer-term relationship where there is strong alignment.

Speaker → Workshop Partner → Programme Partner	Event Sponsor → Annual Sponsor → Strategic Partner
Podcast Guest → Knowledge Partner → Programme Collaborator	Community Partner → Joint Initiative → Long-Term Partner

LET'S CREATE IMPACT TOGETHER

Whether you want to support a programme, sponsor an initiative, provide opportunities, deliver a workshop, join a podcast conversation, support a retreat, mentor women, provide professional expertise, fund community work or develop something new together, we would love to explore what partnership could look like.
